“ Toni was such an inspiration to everyone who knew her, and I'm sure others who just knew OF her. She was a friend to anyone she met along her path, and would do anything for anybody. And that's not an exaggeration! We will ALL miss her, but she will always be with us. I know her memory and the stories we can share will be in our lives forever. Carmela, Gina, Tawny, and even little Siena, we'll never forget you dearest Toni💜

I had the pleasure of getting to know Toni through Relay for Life. She was a wonderful leader and friend. She certainly didn't deserve to die of the same disease she tried so hard to find a cure for. Rest in Peace friend.

“ I "met" Toni for the first time at Vallejo Piecemakers quilt guild. I was like I *knew* her. Of course I did. She worked in my dentist's office! Which, of course I realized the next time I went in for a cleaning. She was always kind and fun and had a smile for everyone. Toni will be missed by all but she will always be a part of our lives. I'm glad to have had her as a friend and will cherish her memory.
