“ Dear Gail and Dana. I am Pam Logan, a friend of Steve's since he started teaching at Noble Elementary School in San Jose. We shared many a laugh and concern over students we had and Steve was a great teacher to these kids who had troubles. He was a joker, a teaser and the kids loved him. I have sent the information about his passing to as many of our mutual friends at Noble and Sierramont Middle. When I get their memories of your husband/dad, I will share it here. I am so sorry to know he is gone. I spoke to him only this Spring. I will miss him but have such wonderful memories and laughs. What a guy!!!
